

FAA Safety Team, ROC FSDO, ROC ATC presents:

# **Preventing Maintenance at the Rochester Safety Stand Down 2014!**

Did you know that by accomplishing preventative maintenance on your aircraft, you can prevent costly maintenance failures from every occurring? Preventative maintenance can both reduce the cost of flying and increase your level of safety! At this exclusive briefing, featured speaker Ron Ciura will discuss what you can do to lower your risk and save money. As a pilot, are you authorized to accomplish an oil change on the aircraft you fly? What about special tools or the maintenance manual? Attend this informative briefing and find out! Click on the link below to see all of the details at this year's Rochester Safety Stand Down event and register TODAY! Also, follow us on Facebook at <https://www.facebook.com/events/624097751003377/>

**Directions:** Take the NYS Thruway to Exit 46, proceed I-390N to Exit 17, turn right, proceed to 1295 Scottsville Road.

#### **A message from the National FAASafety Team Manager**

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
